Reducing inequalities and advancing human rights in clinical nutrition

December 10th, 2024
6.00 - 8.00 pm CET (GMT +1)

Human Rights Day 2024

ESPEN and International Working Group for Patients Right to Nutritional Care

*“Where, after all, do universal human rights begin?
In small places, close to home, so close and so small
that they cannot be seen on any maps of the world (...).
Unless these rights have meaning there, they have little meaning anywhere.
Without concerned citizen action to uphold them close to home,
we shall look in vain for progress in the larger world”.*

Eleanor Roosevelt, 1958
